<p>Prices shall remain unchanged and firm for at least one hundred eighty (180) calendar days after the effective date of the contract. The State of Indiana will consider written requests for price adjustments only if the finalization of this contract exceeds the 180 days allowed. Adjustment may be considered provided that such price adjustment covers both upward and downward movement of the commodity price and that adjustment is based only on the increase or decrease of paper stock used for this product. Adjustments in contract pricing may be allowed only if the market structure has variances of more than 5%.</p> <p>Packaging: All Corrugated products must be banded flat with a maximum of 25 per skid.</p> <p>An increase will be based on the vendor/contractor's actual cost increase only, as shown in written documentation, and must not constitute increases in profit. All requests for price increase/decrease must be in writing and must contain adequate documentation to justify said increase/decrease (dated Manufacturer price lists, Industry publications (Pulp&Paper Weekly) catalogs, etc.). Any adjustment considered will be based upon an actual dollar figure. All price adjustment requests must be substantiated in a manner acceptable to the IN Department of Administration and must be received thirty (30) days in advance of the effective date for said increase/decrease. Any time the vendor requests a price adjustment, the Indiana Department of Administration may either accept the price adjustment and amend the contract accordingly or reject the adjustment in its entirety. Approved price adjustments shall remain unchanged for at least 180 calendar days.</p>
